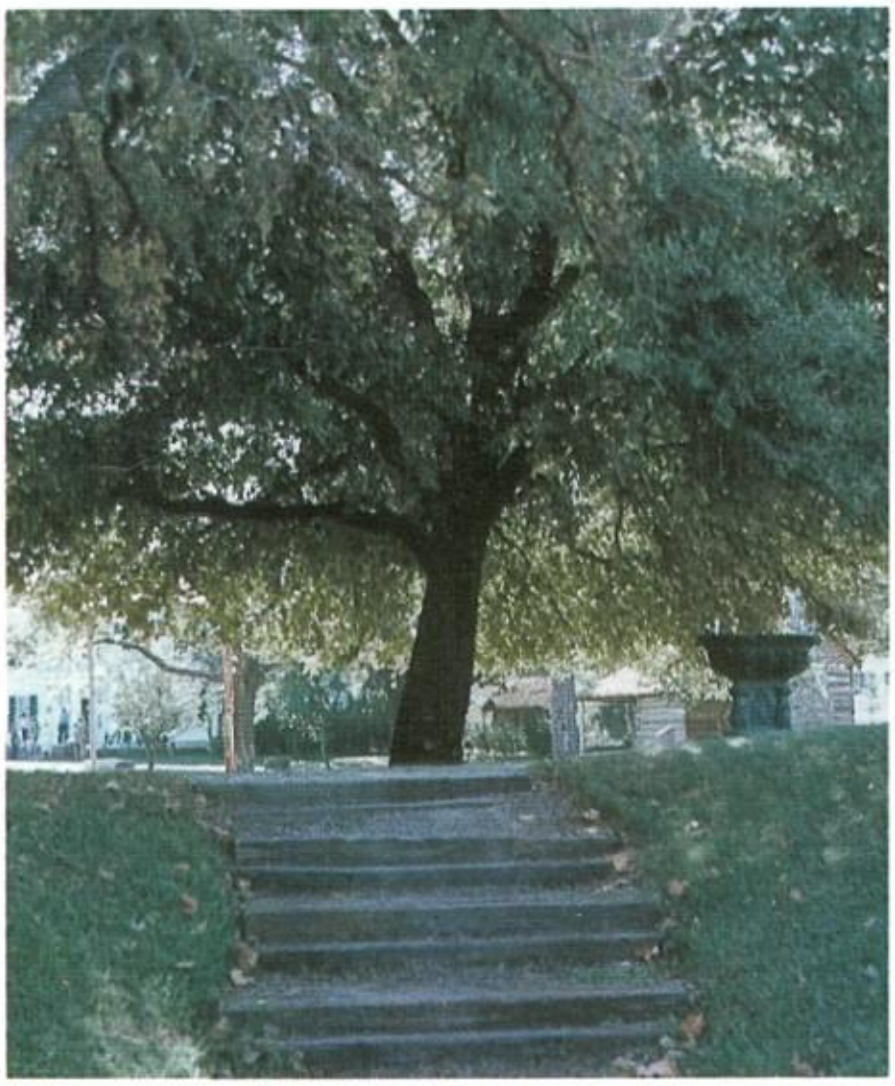
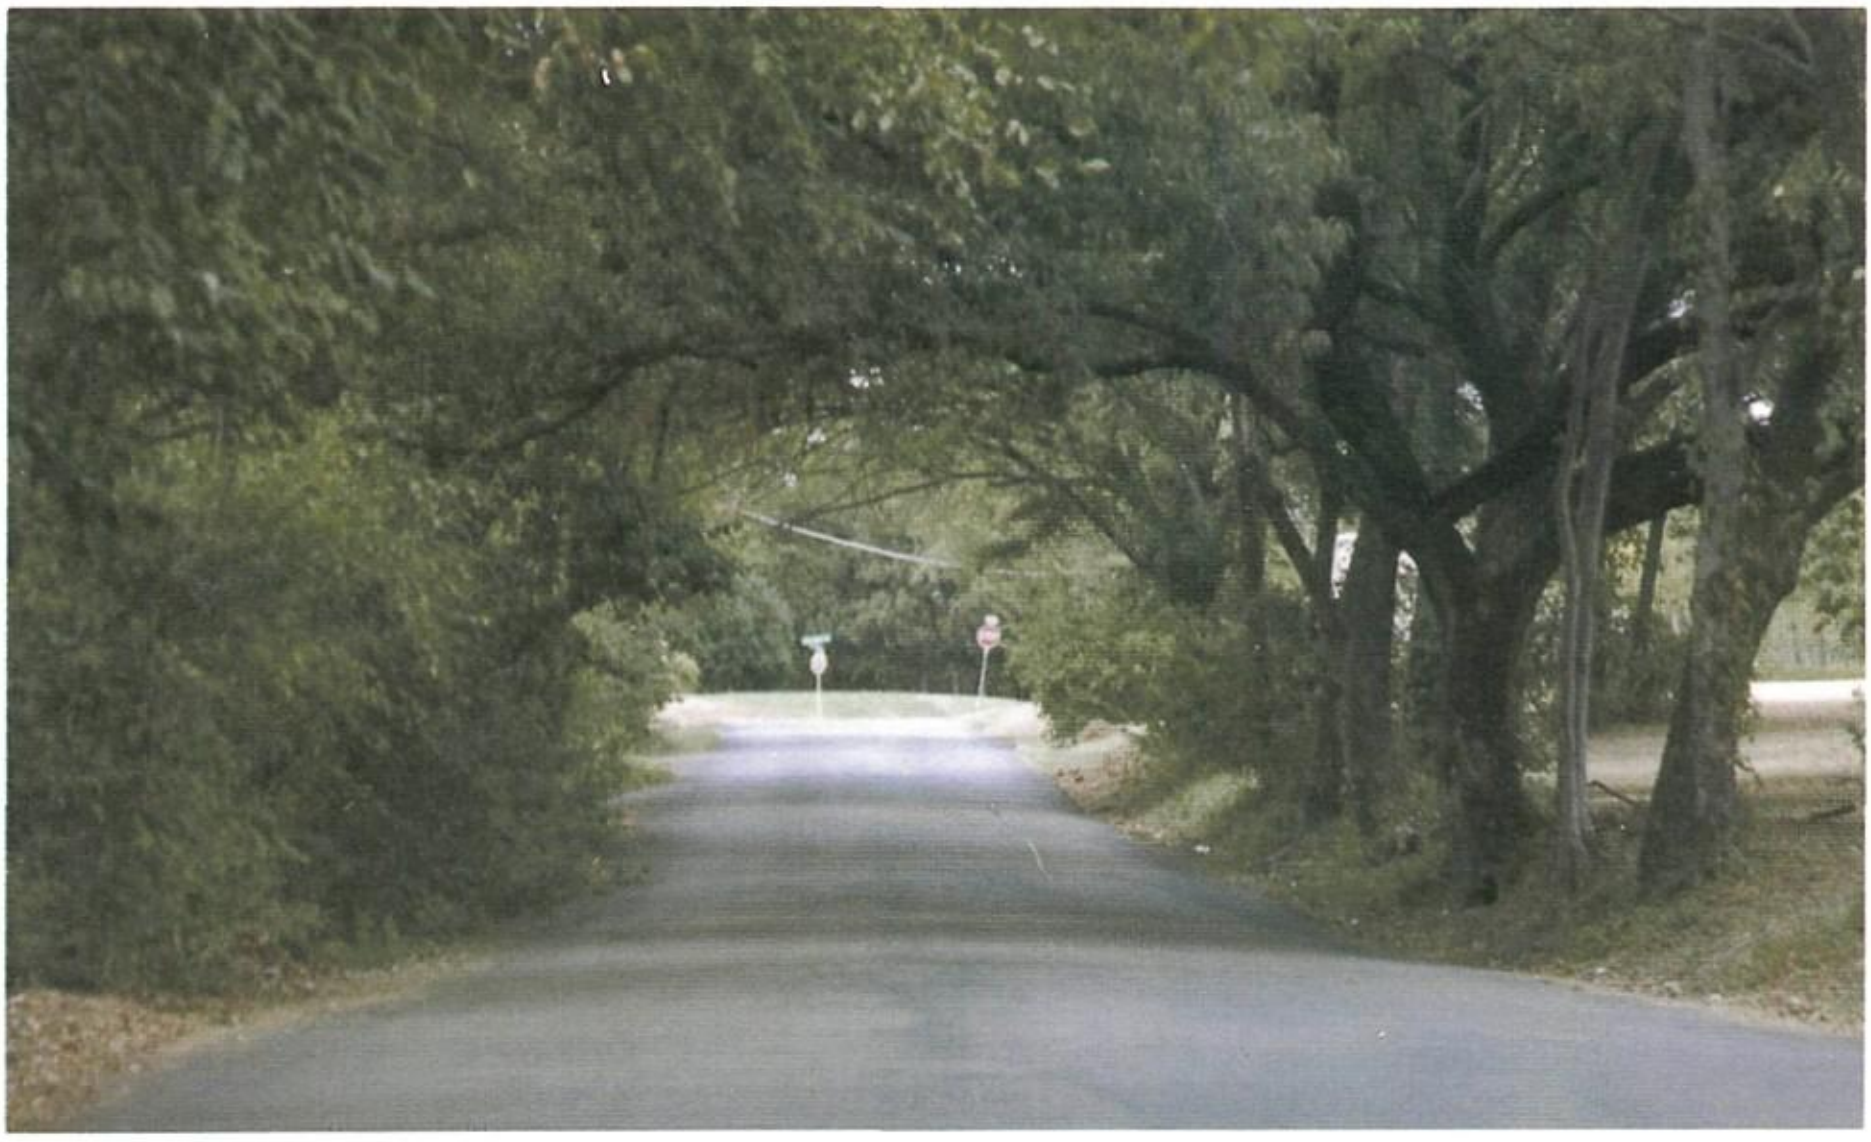
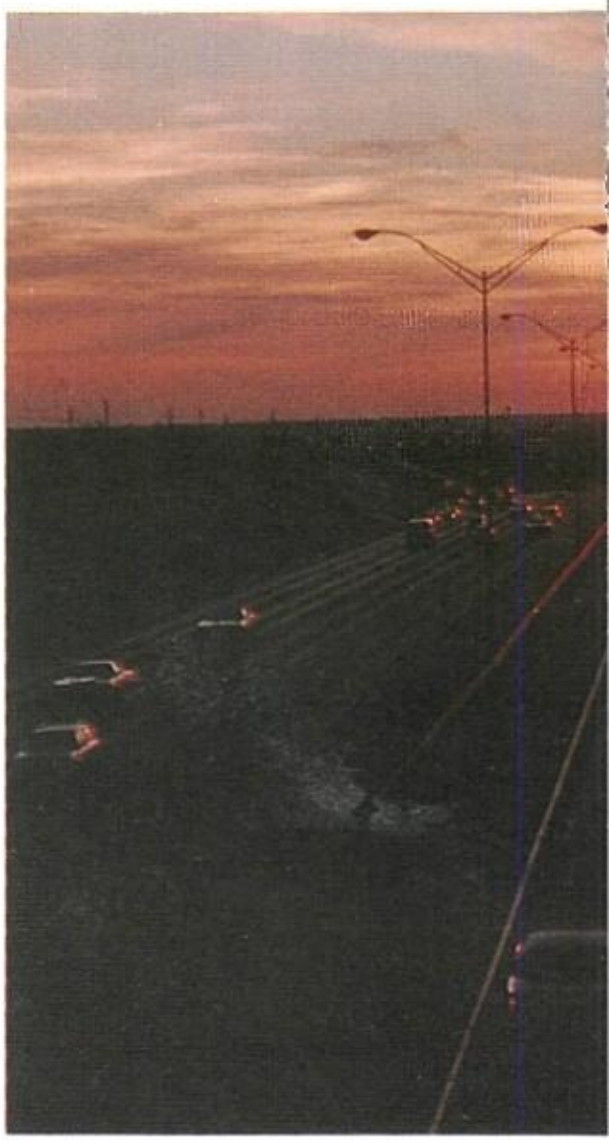
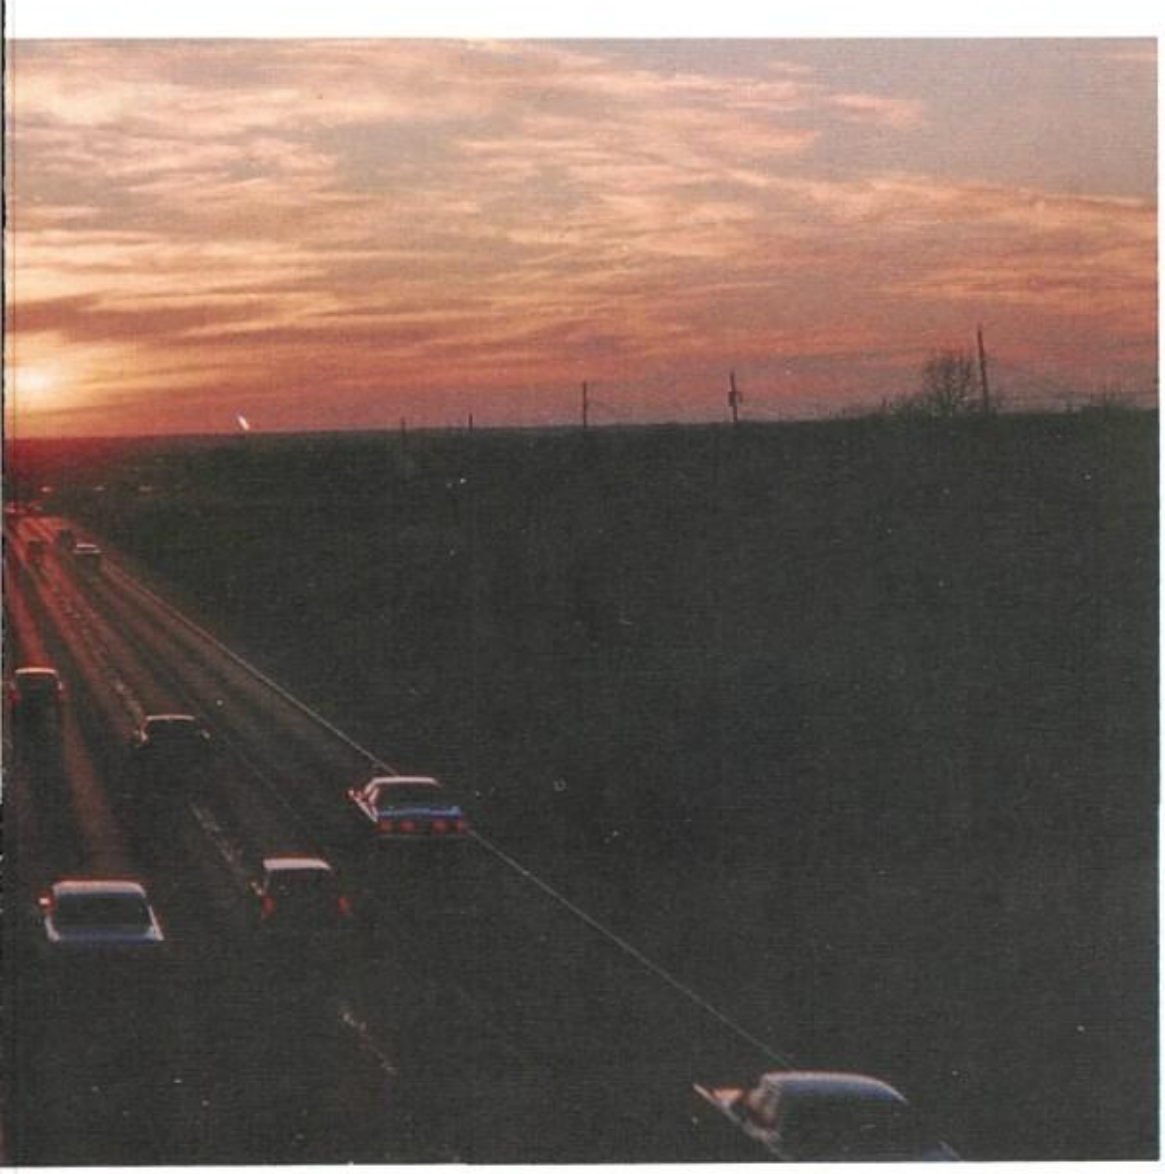
A direction is
any path you can travel —
any road you can follow.

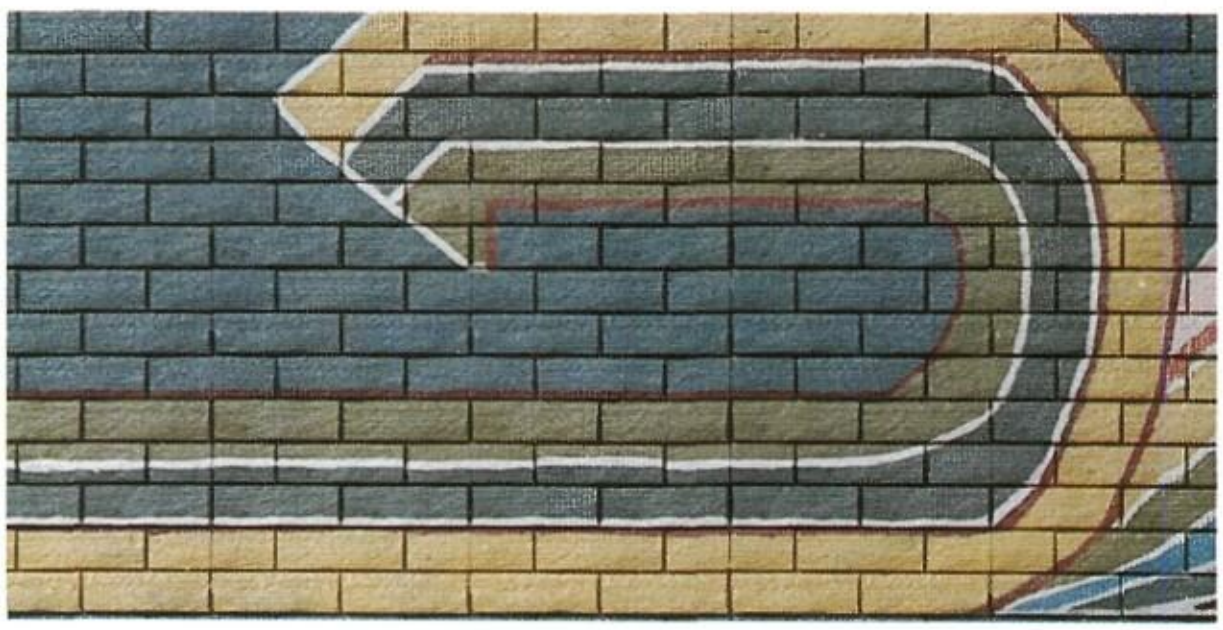


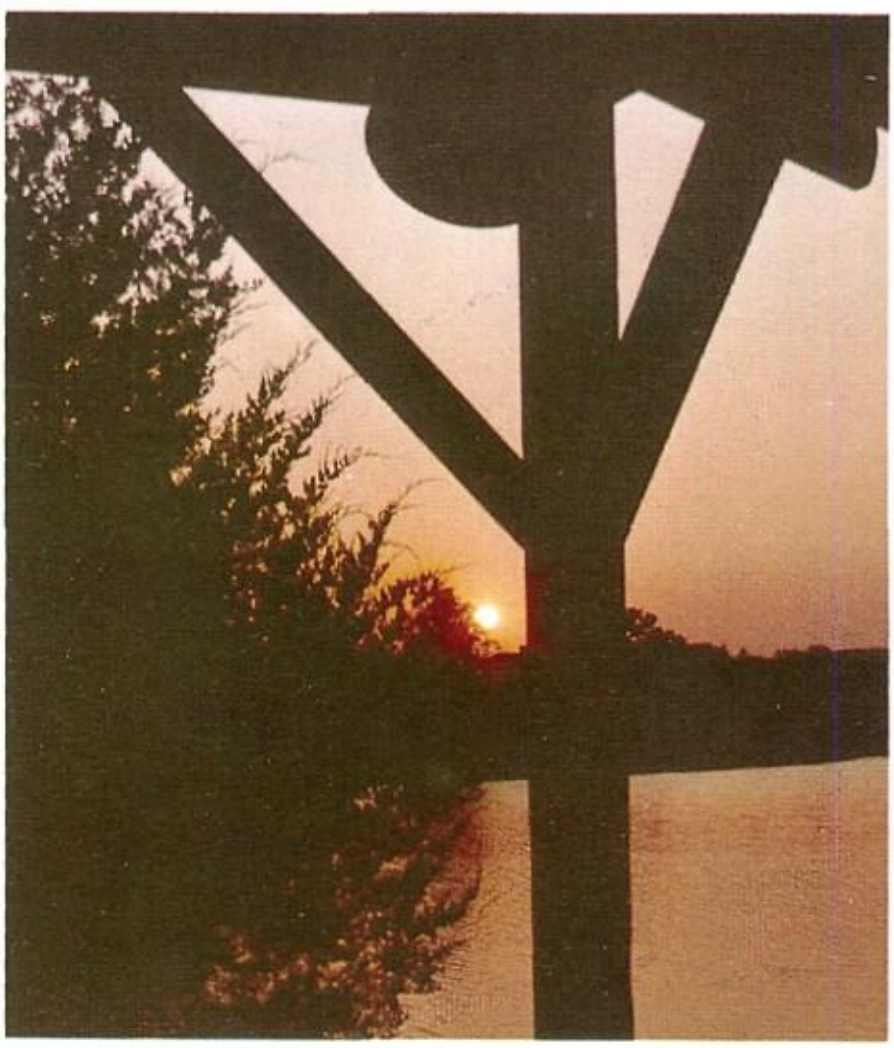


Now is the time
to give our lives a direction.

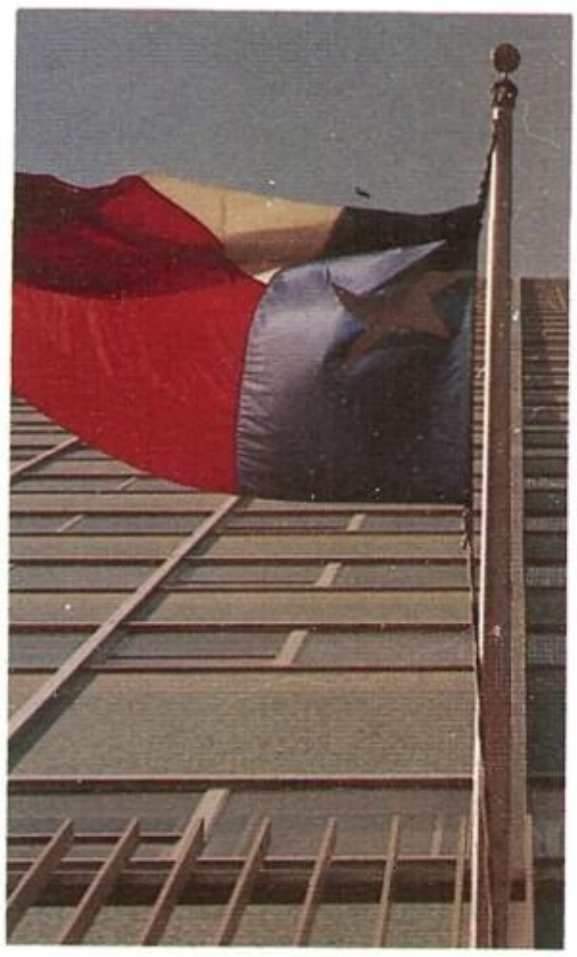




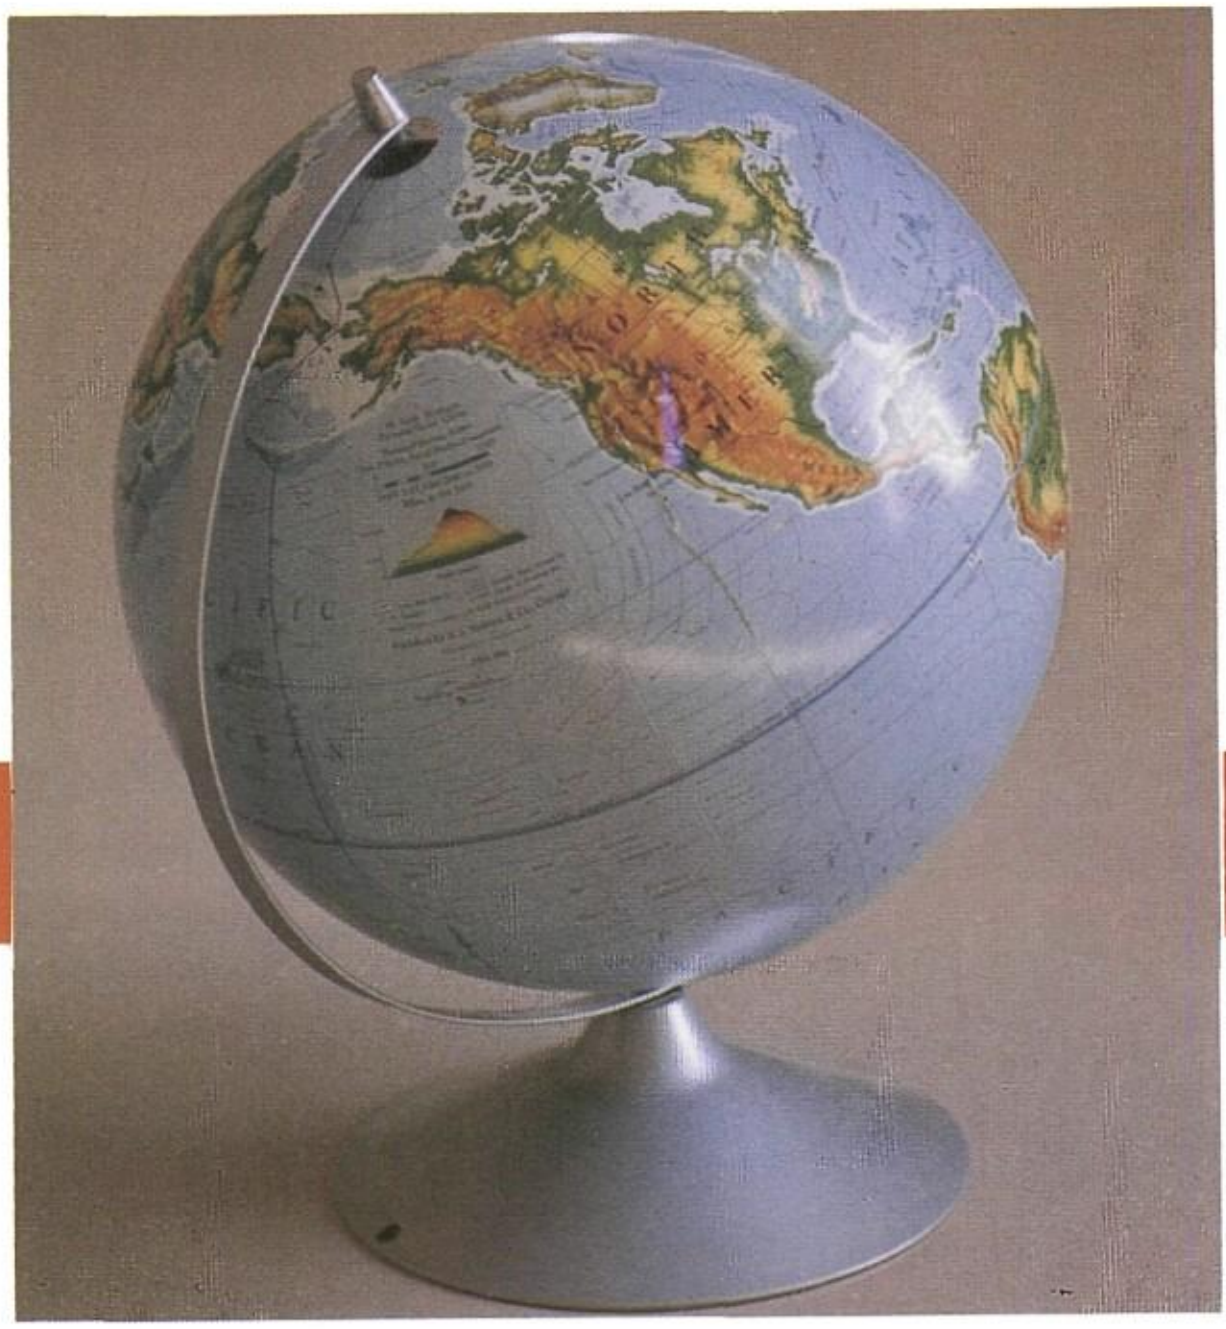


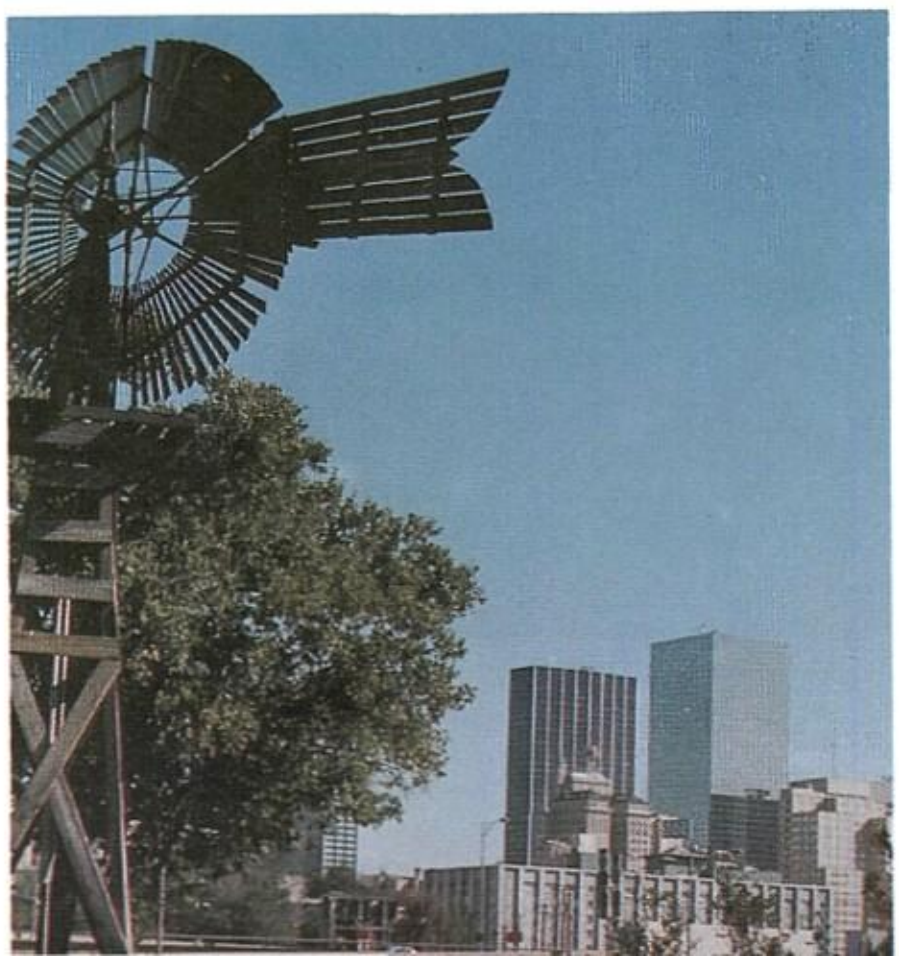


We are at a crossroads in our lives —
facing brighter beginnings
and newer experiences —
depending on the path chosen.

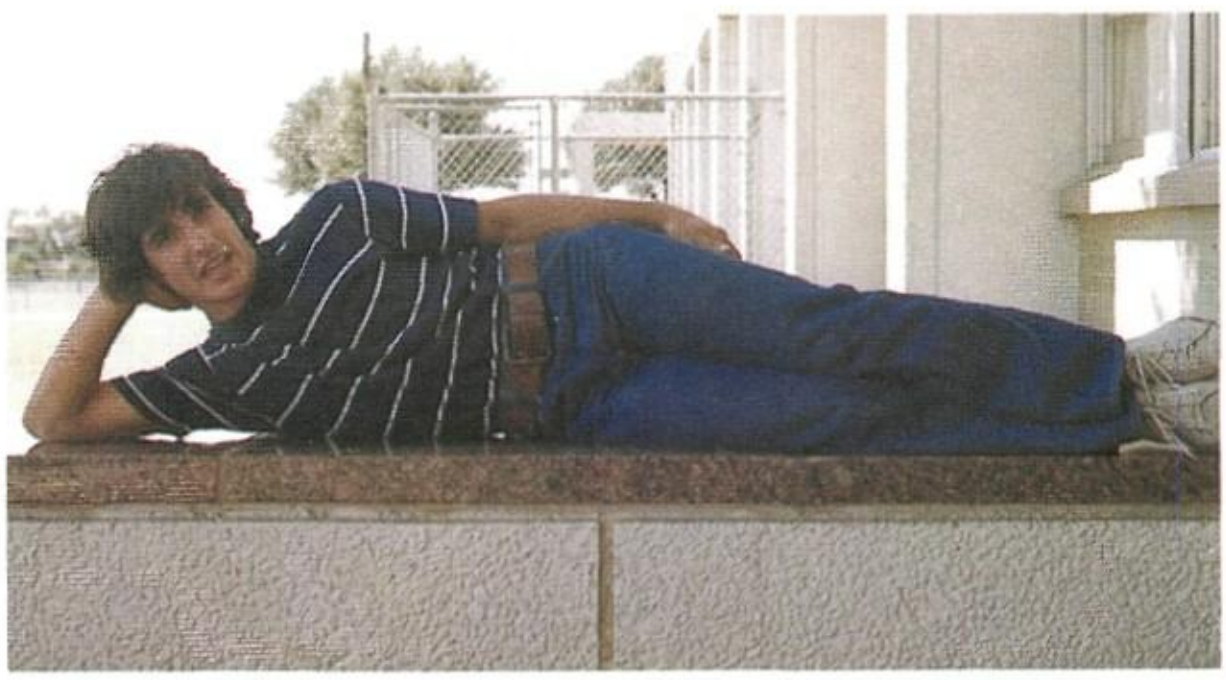


The world is a scene of changes — it has become a stage for new adventures, knowledge, and growth.





We have arrived at a new threshold —
each day opens new doors
revealing new directions.



GILBRICH

The path to success is within each of us.
